<u>IT19131016</u>	01 Fail-points/blocking	02 Fail-points/blocking
Fail-Points/blocking	The menu bar is not guiding the user and it's appearance is less user friendly.	The pictures and voices are not user friendly
Evidence		
<u>IT19136370</u>	01 Fail-points/blocking	02 Fail-points/blocking
Fail-Points/blocking	The menu bar is not showing any categories.	Teachers are not able to add new quizzes and they can not track their students marks
Evidence		
<u>IT19016962</u>	01 Fail-points/blocking	02 Fail-points/blocking
Fail-Points/blocking	The users(kids) have no option to interact with the app(do any activity).	User interfaces are not categorized properly (there are no any sub categories) and also not user friendly.

Evidence		
<u>IT19753140</u>	01 Fail-points/blocking	02 Fail-points/blocking
Fail-Points/blocking	The learning interface has no guidelines on how to interact with users.	The interfaces are not user-friendly to interact with the users and there is no selection of multiple languages.
Evidence
